

## The Sussex List at January 2022.

	Species Name	Taxonomic name	Status in Sussex
1	Brent Goose	<i>Branta bernicla</i>	Very common winter visitor and passage migrant; very scarce non-breeder in summer. <b>Amber listed species of medium conservation concern.</b> Section 41 species.
2	Red-breasted Goose	<i>Branta ruficollis</i>	Very rare vagrant. <b>Annex 1 species.</b>
3	Canada Goose	<i>Branta canadensis</i>	Common introduced resident and partial migrant.
4	Barnacle Goose	<i>Branta leucopsis</i>	Very scarce winter visitor; often in severe weather; increasingly common naturalised resident. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
5	Greylag Goose	<i>Anser anser</i>	Increasingly common introduced resident and winter visitor; scarce passage migrant. (Native population in UK is <b>Amber listed species of medium conservation concern.</b> )
6	Taiga Bean Goose	<i>Anser fabalis</i>	Rare winter visitor. <b>Amber listed species of medium conservation concern.</b>
7	Pink-footed Goose	<i>Anser brachyrhynchus</i>	Very scarce winter visitor and passage migrant; also recorded as a feral bird. <b>Amber listed species of medium conservation concern.</b>
8	Tundra Bean Goose	<i>Anser serrirostris</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
9	White-fronted Goose	<i>Anser albifrons</i>	Scarce winter visitor and passage migrant. European race ( <i>A. a. albifrons</i> ) is <b>Red listed species of high conservation concern.</b> Section 41 species.
10	Mute Swan	<i>Cygnus olor</i>	Fairly common resident. <b>Amber listed species of medium conservation concern.</b>
11	Bewick's Swan	<i>Cygnus columbianus</i>	Scarce winter visitor and very scarce passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Section 41 species. <b>Annex 1 species.</b>
12	Whooper Swan	<i>Cygnus cygnus</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
13	Egyptian Goose	<i>Alopochen aegyptiaca</i>	Scarce introduced resident; bred for first time in 2000.
14	Common Shelduck	<i>Tadorna tadorna</i>	Fairly common winter visitor and scarce passage migrant; scarce breeding species. <b>Amber listed species of medium conservation concern.</b>
15	Ruddy Shelduck	<i>Tadorna ferruginea</i>	Breeds in SE Europe and across central and east Asia with naturalised populations in central Europe. Rare vagrant from wild or naturalised populations or escape from captivity. <b>Annex 1 species.</b>
16	Mandarin Duck	<i>Aix galericulata</i>	Scarce introduced resident.
17	Garganey	<i>Spatula querquedula</i>	Scarce passage migrant; very scarce summer non-breeder and rare breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
18	Blue-winged Teal	<i>Spatula discors</i>	Very rare vagrant.
19	Shoveler	<i>Spatula clypeata</i>	Very scarce breeder and scarce summer non-breeder; common winter visitor; scarce on observed passage. <b>Amber listed species of medium conservation concern.</b>
20	Gadwall	<i>Mareca strepera</i>	Very scarce breeder and scarce summer non-breeder; fairly common winter visitor; scarce on observed passage. <b>Amber listed species of medium conservation concern.</b>
21	Eurasian Wigeon	<i>Mareca penelope</i>	Very common winter visitor; scarce on observed passage. Very scarce in summer; does not breed. <b>Amber listed species of medium conservation concern.</b>
22	American Wigeon	<i>Mareca americana</i>	Very rare vagrant.

23		Mallard	<i>Anas platyrhynchos</i>	Common resident and winter visitor. <b>Amber listed species of medium conservation concern.</b>
24		Pintail	<i>Anas acuta</i>	Fairly common winter visitor; scarce on observed passage; occasionally summers and has bred. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
25		Eurasian Teal	<i>Anas crecca</i>	Rare breeder and and scarce summering non-breeder; common winter visitor and fairly common on observed passage. <b>Amber listed species of medium conservation concern.</b>
26		Green-winged Teal	<i>Anas carolinensis</i>	Very rare vagrant.
27		Red-crested Pochard	<i>Netta rufina</i>	Possibly a rare winter visitor and passage migrant although most records probably relate to escaped or naturalised birds.
28		Common Pochard	<i>Aythya ferina</i>	Very scarce breeder; scarce summer non-breeder and fairly common winter visitor. Very scarce on observed passage. <b>Red listed species of high conservation concern.</b>
29		Ferruginous Duck	<i>Aythya nyroca</i>	Rare vagrant. <b>Annex 1 species.</b>
30		Ring-necked Duck	<i>Aythya collaris</i>	Rare vagrant.
31		Tufted Duck	<i>Aythya fuligula</i>	Fairly common resident although scarce breeder; fairly common winter visitor and scarce on observed passage.
32		Greater Scaup	<i>Aythya marila</i>	Scarce winter visitor and passage migrant; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
33		Lesser Scaup	<i>Aythya affinis</i>	Very rare vagrant.
34		King Eider	<i>Somateria spectabilis</i>	Very rare vagrant
35		Common Eider	<i>Somateria mollissima</i>	Scarce winter visitor and passage migrant; very scarce non-breeder in summer. <b>Amber listed species of medium conservation concern.</b>
36		Surf Scoter	<i>Melanitta perspicillata</i>	Very rare vagrant.
37		Velvet Scoter	<i>Melanitta fusca</i>	Scarce passage migrant and winter visitor along the coast; rare inland. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
38		Common Scoter	<i>Melanitta nigra</i>	Common spring passage migrant and fairly common winter visitor; scarce in summer and autumn. Very scarce inland. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
39		Long-tailed Duck	<i>Clangula hyemalis</i>	Very scarce to scarce passage migrant and winter visitor; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
40		Goldeneye	<i>Bucephala clangula</i>	Scarce winter visitor; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
41		Smew	<i>Mergellus albellus</i>	Very scarce winter visitor mainly to the east of the county. <b>Red listed species of high conservation concern.</b> <b>Annex 1 species.</b>
42		Hooded Merganser	<i>Lophodytes cucullatus</i>	Very rare vagrant.
43		Goosander	<i>Mergus merganser</i>	Scarce winter visitor and passage migrant.
44		Red-breasted Merganser	<i>Mergus serrator</i>	Fairly common winter visitor and passage migrant along the coast; rare non-breeder in summer. Rare inland. <b>Amber listed species of medium conservation concern.</b>
45		Ruddy Duck	<i>Oxyura jamaicensis</i>	Very scarce and declining introduced resident and winter visitor; subject to culling to reduce numbers.

46		Black Grouse	<i>Lyrurus tetrix</i>	Formerly resident but became extinct by mid 19th century. <b>Red listed species of high conservation concern.</b> Section 41 species. Annex 1 species.
47		Grey Partridge	<i>Perdix perdix</i>	Scarce resident; much declined but benefiting locally through conservation effort. <b>Red listed species of high conservation concern.</b> Section 41 species.
48		Golden Pheasant	<i>Chrysolophus pictus</i>	Formerly very scarce introduced resident; probably now extinct in the county.
49		Common Pheasant	<i>Phasianus colchicus</i>	Very common introduced resident. Population augmented annually by captive bred stock.
50		Quail	<i>Coturnix coturnix</i>	Scarce summer visitor; recorded in variable numbers from year to year. Formerly occasional in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
51		Red-legged Partridge	<i>Alectoris rufa</i>	Common introduced resident. Population augmented annually by captive bred stock.
52		Common Nighthawk	<i>Chordeiles minor</i>	Very rare vagrant.
53		Nightjar	<i>Caprimulgus europaeus</i>	Fairly common but localised summer visitor rarely seen on migration. <b>Amber listed species of medium conservation concern.</b> Section 41 species. Annex 1 species.
54		Alpine Swift	<i>Tachymarptis melba</i>	Rare vagrant.
55		Common Swift	<i>Apus apus</i>	Common summer visitor and passage migrant. <b>Red listed species of high conservation concern..</b>
56		Pallid Swift	<i>Apus pallidus</i>	Very rare vagrant.
57		Great Bustard	<i>Otis tarda</i>	Resident until about 1825; none since 1891. Annex 1 species.
58		Little Bustard	<i>Tetrax tetrax</i>	Formerly rare; now very rare vagrant. Annex 1 species.
59		Great Spotted Cuckoo	<i>Clamator glandarius</i>	Very rare vagrant.
60		Yellow-billed Cuckoo	<i>Coccyzus americanus</i>	Very rare vagrant.
61		Common Cuckoo	<i>Cuculus canorus</i>	Fairly common but declining summer visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
62		Pallas's Sandgrouse	<i>Syrrhaptes paradoxus</i>	Formerly a rare vagrant.
63		Feral Pigeon	<i>Columba livia</i>	Common resident.
64		Stock Dove	<i>Columba oenas</i>	Common resident and possible winter visitor. <b>Amber listed species of medium conservation concern.</b>
65		Woodpigeon	<i>Columba palumbus</i>	Abundant resident and winter visitor. <b>Amber listed species of medium conservation concern.</b>
66		Turtle Dove	<i>Streptopelia turtur</i>	Scarce and declining summer visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Section 41 species.
67		Collared Dove	<i>Streptopelia decaocto</i>	Very common resident.
68		Water Rail	<i>Rallus aquaticus</i>	Scarce resident; scarce winter visitor and passage migrant.
69		Corncrake	<i>Crex crex</i>	Rare passage migrant; formerly bred. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Section 41 species. Annex 1 species.
70		Sora	<i>Porzana carolina</i>	Very rare vagrant.
71		Spotted Crake	<i>Porzana porzana</i>	Rare passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
72		Moorhen	<i>Gallinula chloropus</i>	Very common resident; possibly fairly common winter visitor but status uncertain. <b>Amber listed species of medium conservation concern.</b>
73		Coot	<i>Fulica atra</i>	Fairly common resident and common winter visitor.
74		Baillon's Crake	<i>Zapornia pusilla</i>	Very rare vagrant. Annex 1 species.
75		Little Crake	<i>Zapornia parva</i>	Rare vagrant. Annex 1 species.

76		Crane	<i>Grus grus</i>	Very scarce passage migrant and winter visitor. Rare in summer. <b>Amber listed species of medium conservation concern.</b> <a href="#">Annex 1 species.</a>
77		Little Grebe	<i>Tachybaptus ruficollis</i>	Scarce resident; passage migrant and fairly common winter visitor.
78		Red-necked Grebe	<i>Podiceps grisegena</i>	Very scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b>
79		Great Crested Grebe	<i>Podiceps cristatus</i>	Fairly common resident; passage migrant and winter visitor.
80		Slavonian Grebe	<i>Podiceps auritus</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <a href="#">Annex 1 species.</a>
81		Black-necked Grebe	<i>Podiceps nigricollis</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
82		Stone-curlew	<i>Burhinus oediconemus</i>	Rare passage migrant. Formerly a scarce breeding summer visitor which since 2006 has tentatively started to recolonise the county. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <a href="#">Section 41 species.</a> <a href="#">Annex 1 species.</a>
83		Oystercatcher	<i>Haematopus ostralegus</i>	Scarce breeder; fairly common passage migrant and common winter visitor. <b>Amber listed species of medium conservation concern.</b>
84		Black-winged Stilt	<i>Himantopus himantopus</i>	Very scarce spring migrant. Bred in 2014. Schedule 1 species. <b>Amber listed species of medium conservation concern.</b> <a href="#">Annex 1 species.</a>
85		Avocet	<i>Recurvirostra avosetta</i>	Scarce winter visitor and passage migrant; scarce and localised breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <a href="#">Annex 1 species.</a>
86		Lapwing	<i>Vanellus vanellus</i>	Scarce or fairly common resident and very common winter visitor. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
87		Sociable Plover	<i>Vanellus gregarius</i>	Very rare vagrant.
88		Golden Plover	<i>Pluvialis apricaria</i>	Common winter visitor and passage migrant; rare in summer. <a href="#">Annex 1 species.</a>
89		Pacific Golden Plover	<i>Pluvialis fulva</i>	Very rare vagrant
90		American Golden Plover	<i>Pluvialis dominica</i>	Very rare vagrant.
91		Grey Plover	<i>Pluvialis squatarola</i>	Common winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
92		Ringed Plover	<i>Charadrius hiaticula</i>	Scarce breeder; fairly common passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b>
93		Semipalmated Plover	<i>Charadrius semipalmatus</i>	Very rare vagrant.
94		Little Ringed Plover	<i>Charadrius dubius</i>	Scarce breeding summer visitor and passage migrant. Schedule 1 species.
95		Killdeer	<i>Charadrius vociferus</i>	Very rare vagrant.
96		Kentish Plover	<i>Charadrius alexandrinus</i>	Very scarce spring and autumn passage migrant; formerly bred. Schedule 1 species.
97		Lesser Sand Plover	<i>Charadrius mongolus</i>	Very rare vagrant.
98		Greater Sand Plover	<i>Charadrius leschenaultii</i>	Very rare vagrant.
99		Dotterel	<i>Charadrius morinellus</i>	Very scarce spring and autumn passage migrant; one winter record. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <a href="#">Annex 1 species.</a>
100		Upland Sandpiper	<i>Bartramia longicauda</i>	Very rare vagrant.
101		Eurasian Whimbrel	<i>Numenius phaeopus</i>	Common passage migrant; very scarce non-breeding summering and wintering species. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
102		Hudsonian Whimbrel	<i>Numenius hudsonicus</i>	Very rare vagrant; only recorded 2015
103		Curlew	<i>Numenius arquata</i>	Common passage migrant and winter visitor; formerly a very scarce breeder. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>

104	Bar-tailed Godwit	<i>Limosa lapponica</i>	Fairly common winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
105	Black-tailed Godwit	<i>Limosa limosa</i>	Fairly common but localised winter visitor and passage migrant; scarce non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Section 41 species.
106	Turnstone	<i>Arenaria interpres</i>	Fairly common winter visitor and passage migrant; scarce non-breeder in summer. Rare away from coast. <b>Amber listed species of medium conservation concern.</b>
107	Knot	<i>Calidris canutus</i>	Fairly common winter visitor and scarce to fairly common passage migrant. <b>Amber listed species of medium conservation concern.</b>
108	Ruff	<i>Calidris pugnax</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Annex 1 species.
109	Broad-billed Sandpiper	<i>Calidris falcinellus</i>	Very rare vagrant.
110	Stilt Sandpiper	<i>Calidris himantopus</i>	Very rare vagrant.
111	Curlew Sandpiper	<i>Calidris ferruginea</i>	Passage migrant; scarce in autumn and very scarce in spring; rare in winter. <b>Amber listed species of medium conservation concern.</b>
112	Temminck's Stint	<i>Calidris temminckii</i>	Very scarce spring and autumn passage migrant. Schedule 1 species.
113	Sanderling	<i>Calidris alba</i>	Fairly common winter visitor and passage migrant. Rare away from coast. <b>Amber listed species of medium conservation concern.</b>
114	Dunlin	<i>Calidris alpina</i>	Very common passage migrant and winter visitor; scarce away from estuaries; scarce non-breeder in summer. <b>Red listed species of high conservation concern.</b>
115	Purple Sandpiper	<i>Calidris maritima</i>	Scarce winter visitor and passage migrant; very rare in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
116	Baird's Sandpiper	<i>Calidris bairdii</i>	Very rare vagrant.
117	Little Stint	<i>Calidris minuta</i>	Scarce passage migrant; very scarce in winter.
118	Least Sandpiper	<i>Calidris minutilla</i>	Very rare vagrant.
119	White-rumped Sandpiper	<i>Calidris fuscicollis</i>	Very rare vagrant.
120	Buff-breasted Sandpiper	<i>Calidris subruficollis</i>	Rare autumn vagrant.
121	Pectoral Sandpiper	<i>Calidris melanotos</i>	Rare vagrant; mainly in autumn.
122	Semipalmated Sandpiper	<i>Calidris pusilla</i>	Very rare vagrant.
123	Long-billed Dowitcher	<i>Limnodromus scolopaceus</i>	Very rare vagrant.
124	Woodcock	<i>Scolopax rusticola</i>	Probably fairly common resident and winter visitor. <b>Red listed species of high conservation concern.</b>
125	Jack Snipe	<i>Lymnocyptes minimus</i>	Scarce winter visitor and passage migrant.
126	Great Snipe	<i>Gallinago media</i>	Very rare vagrant. Annex 1 species.
127	Common Snipe	<i>Gallinago gallinago</i>	Very scarce breeder and fairly common winter visitor. <b>Amber listed species of medium conservation concern.</b>
128	Terek Sandpiper	<i>Xenus cinereus</i>	Very rare vagrant. Annex 1 species.
129	Wilson's Phalarope	<i>Phalaropus tricolor</i>	Very rare vagrant.
130	Red-necked Phalarope	<i>Phalaropus lobatus</i>	Rare spring and autumn passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Annex 1 species.
131	Grey Phalarope	<i>Phalaropus fulicarius</i>	Very scarce autumn and rare winter visitor; usually occurs after gales.
132	Common Sandpiper	<i>Actitis hypoleucos</i>	Fairly common passage migrant; very scarce in winter. Has bred at least once. <b>Amber listed species of medium conservation concern.</b>
133	Spotted Sandpiper	<i>Actitis macularius</i>	Very rare vagrant.

134		Green Sandpiper	<i>Tringa ochropus</i>	Scarce spring and autumn passage migrant; more frequent in autumn; scarce in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
135		Lesser Yellowlegs	<i>Tringa flavipes</i>	Very rare vagrant.
136		Common Redshank	<i>Tringa totanus</i>	Scarce resident and common winter visitor and autumn passage migrant; fairly common spring migrant. <b>Amber listed species of medium conservation concern.</b>
137		Marsh Sandpiper	<i>Tringa stagnatilis</i>	Rare vagrant.
138		Wood Sandpiper	<i>Tringa glareola</i>	Very scarce spring and scarce autumn passage migrant; very rare in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
139		Spotted Redshank	<i>Tringa erythropus</i>	Scarce passage migrant and very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b>
140		Greenshank	<i>Tringa nebularia</i>	Fairly common passage migrant; scarce in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
141		Collared Pratincole	<i>Glareola pratincola</i>	Very rare vagrant. <b>Annex 1 species.</b>
142		Oriental Pratincole	<i>Glareola maldivarum</i>	Very rare vagrant.
143		Black-winged Pratincole	<i>Glareola nordmanni</i>	Very rare vagrant.
144		Kittiwake	<i>Rissa tridactyla</i>	Common but very localised breeding species; fairly common or common winter visitor and passage migrant. Rare away from coast. <b>Red listed species of high conservation concern.</b>
145		Sabine's Gull	<i>Xema sabini</i>	Rare mainly autumn vagrant.
146		Slender-billed Gull	<i>Chroicocephalus genei</i>	Very rare vagrant. <b>Annex 1 species.</b>
147		Bonaparte's Gull	<i>Chroicocephalus philadelphia</i>	Very rare vagrant.
148		Black-headed Gull	<i>Chroicocephalus ridibundus</i>	Common breeding species and very common to abundant passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
149		Little Gull	<i>Hydrocoloeus minutus</i>	Fairly common passage migrant; most numerous in spring. Very scarce non-breeder in summer and scarce in winter. Schedule 1 species.
150		Laughing Gull	<i>Leucophaeus atricilla</i>	Very rare vagrant.
151		Franklin's Gull	<i>Leucophaeus pipixcan</i>	Very rare vagrant.
152		Mediterranean Gull	<i>Ichthyaeetus melanocephalus</i>	Fairly common winter visitor and passage migrant; scarce breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
153		Common Gull	<i>Larus canus</i>	Very common; sometimes abundant winter visitor and very common passage migrant; scarce in summer; bred until 1963 and in 2006 and in some years since then. <b>Amber listed species of medium conservation concern.</b>
154		Ring-billed Gull	<i>Larus delawarensis</i>	Very rare vagrant.
155		Great Black-backed Gull	<i>Larus marinus</i>	Common winter visitor and passage migrant; scarce in summer; mostly non-breeders; but very scarce breeder since 2000. <b>Amber listed species of medium conservation concern.</b>
156		Glaucous Gull	<i>Larus hyperboreus</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
157		Iceland Gull	<i>Larus glaucooides</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
158		Herring Gull	<i>Larus argentatus argenteus</i>	Very common resident; status uncertain as passage migrant; and winter visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
159		Caspian Gull	<i>Larus cachinnans</i>	Scarce but regular winter visitor <b>Amber listed species of medium conservation concern.</b>

160	Yellow-legged Gull	<i>Larus michahellis</i>	Scarce but localised visitor; mainly in late summer and autumn. <b>Amber listed species of medium conservation concern.</b>
161	Lesser Black-backed Gull	<i>Larus fuscus</i>	Fairly common passage migrant and winter visitor; scarce (mainly immature) in summer and scarce breeder. <b>Amber listed species of medium conservation concern.</b>
162	Gull-billed Tern	<i>Gelochelidon nilotica</i>	Rare vagrant. <b>Annex 1 species.</b>
163	Caspian Tern	<i>Hydroprogne caspia</i>	Rare vagrant. <b>Annex 1 species.</b>
164	Royal Tern	<i>Thalasseus maximus</i>	very rare vagrant
165	Lesser Crested Tern	<i>Thalasseus bengalensis</i>	Very rare vagrant.
166	Sandwich Tern	<i>Thalasseus sandvicensis</i>	Fairly common although localised breeding summer visitor and common passage migrant; very scarce winter visitor. <b>Amber listed species of medium conservation concern. Annex 1 species.</b>
167	Elegant Tern	<i>Thalasseus elegans</i>	Very rare vagrant; first recorded in 2017
168	Little Tern	<i>Sternula albifrons</i>	Scarce breeding summer visitor and fairly common passage migrant. <b>Amber listed species of medium conservation concern. Schedule 1 species. Annex 1 species.</b>
169	Least Tern	<i>Sternula antillarum</i>	Very rare vagrant.
170	Bridled Tern	<i>Onychoprion anaethetus</i>	Very rare vagrant.
171	Sooty Tern	<i>Onychoprion fuscatus</i>	Very rare vagrant.
172	Roseate Tern	<i>Sterna dougallii</i>	Very scarce passage migrant and non-breeding summer visitor. <b>Red listed species of high conservation concern. Schedule 1 species. Section 41 species. Annex 1 species.</b>
173	Common Tern	<i>Sterna hirundo</i>	Fairly common breeding summer visitor and common passage migrant. <b>Amber listed species of medium conservation concern. Annex 1 species.</b>
174	Arctic Tern	<i>Sterna paradisaea</i>	Uncertain; but probably a fairly common spring and autumn passage migrant. <b>Amber listed species of medium conservation concern. Annex 1 species.</b>
175	Whiskered Tern	<i>Chlidonias hybrida</i>	Very rare vagrant. <b>Annex 1 species.</b>
176	White-winged Black Tern	<i>Chlidonias leucopterus</i>	Rare vagrant.
177	Black Tern	<i>Chlidonias niger</i>	Scarce passage migrant. Schedule 1 species. <b>Annex 1 species.</b>
178	Great Skua	<i>Stercorarius skua</i>	Fairly common spring and scarce autumn passage migrant; very scarce but increasing in winter. <b>Amber listed species of medium conservation concern.</b>
179	Pomarine Skua	<i>Stercorarius pomarinus</i>	Passage migrant in variable numbers in spring; usually scarce; very scarce in autumn; rare in winter.
180	Arctic Skua	<i>Stercorarius parasiticus</i>	Fairly common spring and scarce autumn passage migrant; very scarce in summer and rare in winter. <b>Red listed species of high conservation concern.</b>
181	Long-tailed Skua	<i>Stercorarius longicaudus</i>	Rare vagrant.
182	Little Auk	<i>Alle alle</i>	Very scarce autumn passage migrant and winter visitor.
183	Common Guillemot	<i>Uria aalge</i>	Fairly common winter visitor and passage migrant; formerly bred. <b>Amber listed species of medium conservation concern.</b>
184	Razorbill	<i>Alca torda</i>	Common winter visitor and fairly common passage migrant; formerly bred. <b>Amber listed species of medium conservation concern.</b>
185	Black Guillemot	<i>Cephus grylle</i>	Rare vagrant. <b>Amber listed species of medium conservation concern.</b>
186	Puffin	<i>Fratercula arctica</i>	Very scarce visitor; most frequently recorded in spring. <b>Red listed species of high conservation concern.</b>
187	Red-throated Diver	<i>Gavia stellata</i>	Fairly common winter visitor and passage migrant. Schedule 1 species. <b>Annex 1 species.</b>

188		Black-throated Diver	<i>Gavia arctica</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
189		Great Northern Diver	<i>Gavia immer</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
190		White-billed Diver	<i>Gavia adamsii</i>	Very rare vagrant.
191		Storm Petrel	<i>Hydrobates pelagicus</i>	Very scarce visitor; mainly in late spring and mid summer and after autumn gales. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
192		Leach's Petrel	<i>Hydrobates leucorhous</i>	Rare vagrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
193		Fulmar	<i>Fulmarus glacialis</i>	Scarce breeding species and passage migrant. <b>Amber listed species of medium conservation concern.</b>
194		Cory's Shearwater	<i>Calonectris borealis</i>	Rare vagrant. <b>Annex 1 species.</b>
195		Sooty Shearwater	<i>Ardenna grisea</i>	Very scarce autumn visitor.
196		Manx Shearwater	<i>Puffinus puffinus</i>	Fairly common spring to autumn passage migrant. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
197		Balearic Shearwater	<i>Puffinus mauretanicus</i>	Very scarce spring to autumn visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
198		Black Stork	<i>Ciconia nigra</i>	Rare vagrant. <b>Annex 1 species.</b>
199		White Stork	<i>Ciconia ciconia</i>	Rare vagrant; mainly in the spring. Most records from 2017 onwards likely to relate to deliberate releases; their offspring or escapes. <b>Annex 1 species.</b>
200		Gannet	<i>Morus bassanus</i>	Common passage migrant and non-breeding summer visitor; fairly common to common in winter. <b>Amber listed species of medium conservation concern.</b>
201		Red-footed Booby	<i>Sula sula</i>	Very rare vagrant (one record).
202		Cormorant	<i>Phalacrocorax carbo</i>	Fairly common but localised resident and common winter visitor.
203		Shag	<i>Gulosus aristotelis</i>	Scarce winter visitor and passage migrant; rare away from coast. <b>Red listed species of high conservation concern.</b>
204		Glossy Ibis	<i>Plegadis falcinellus</i>	Very scarce but increasing visitor. <b>Annex 1 species.</b>
205		Spoonbill	<i>Platalea leucorodia</i>	Very scarce visitor; most frequent in spring and autumn. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
206		Eurasian Bittern	<i>Botaurus stellaris</i>	Scarce winter visitor; rare outside the winter months. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Section 41 species. <b>Annex 1 species.</b>
207		American Bittern	<i>Botaurus lentiginosus</i>	Very rare vagrant.
208		Little Bittern	<i>Ixobrychus minutus</i>	Rare vagrant. Schedule 1 species. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
209		Night-heron	<i>Nycticorax nycticorax</i>	Rare vagrant. <b>Annex 1 species.</b>
210		Squacco Heron	<i>Ardeola ralloides</i>	Very rare vagrant. <b>Annex 1 species.</b>
211		Cattle Egret	<i>Bubulcus ibis</i>	Scarce resident; increasing visitor and bred for the first time in 2020. <b>Amber listed species of medium conservation concern.</b>
212		Grey Heron	<i>Ardea cinerea</i>	Fairly common resident.
213		Purple Heron	<i>Ardea purpurea</i>	Rare vagrant. Schedule 1 species. <b>Annex 1 species.</b>
214		Great White Egret	<i>Ardea alba</i>	Scarce but increasing visitor. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
215		Little Egret	<i>Egretta garzetta</i>	Scarce and increasing resident; and probably scarce autumn visitor; status as winter visitor uncertain. <b>Annex 1 species.</b>
216		Osprey	<i>Pandion haliaetus</i>	Scarce passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>

217		Honey-buzzard	<i>Pernis apivorus</i>	Very scarce breeding summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
218		Short-toed Eagle	<i>Circaetus gallicus</i>	Very rare vagrant. <b>Annex 1 species.</b>
219		Sparrowhawk	<i>Accipiter nisus</i>	Common resident and passage migrant. <b>Amber listed species of medium conservation concern.</b>
220		Goshawk	<i>Accipiter gentilis</i>	Very scarce but increasing resident. Schedule 1 species.
221		Marsh Harrier	<i>Circus aeruginosus</i>	Scarce passage migrant and winter visitor; very scarce breeder since 2004. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
222		Hen Harrier	<i>Circus cyaneus</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species. Annex 1 species.</b>
223		Pallid Harrier	<i>Circus macrourus</i>	Very rare vagrant. <b>Annex 1 species.</b>
224		Montagu's Harrier	<i>Circus pygargus</i>	Very scarce spring and autumn visitor; last bred successfully in 1962. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
225		Red Kite	<i>Milvus milvus</i>	Scarce or fairly common breeding resident (first bred in 2004) and fairly common and increasing visitor. Schedule 1 species. <b>Annex 1 species.</b>
226		Black Kite	<i>Milvus migrans</i>	Rare vagrant. <b>Annex 1 species.</b>
227		White-tailed Eagle	<i>Haliaeetus albicilla</i>	Rare vagrant. Reintroduction scheme on the Isle of Wight. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
228		Rough-legged Buzzard	<i>Buteo lagopus</i>	Rare winter visitor.
229		Common Buzzard	<i>Buteo buteo</i>	Fairly common and increasing resident; probably scarce passage migrant.
230		Barn Owl	<i>Tyto alba</i>	Fairly common resident. Schedule 1 species.
231		Snowy Owl	<i>Bubo scandiacus</i>	Very rare vagrant. Schedule 1 species. <b>Annex 1 species.</b>
232		Tawny Owl	<i>Strix aluco</i>	Common resident. <b>Amber listed species of medium conservation concern.</b>
233		Little Owl	<i>Athene noctua</i>	Fairly common but declining resident.
234		Long-eared Owl	<i>Asio otus</i>	Scarce resident and very scarce passage migrant and winter visitor.
235		Short-eared Owl	<i>Asio flammeus</i>	Scarce winter visitor and passage migrant; has bred. <b>Amber listed species of medium conservation concern. Annex 1 species.</b>
236		Hoopoe	<i>Upupa epops</i>	Very scarce spring and even scarcer autumn passage migrant; has bred. Schedule 1 species.
237		Roller	<i>Coracias garrulus</i>	Rare vagrant. <b>Annex 1 species.</b>
238		Kingfisher	<i>Alcedo atthis</i>	Scarce to fairly common resident and possibly very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
239		Bee-eater	<i>Merops apiaster</i>	Very scarce visitor; mainly in spring; bred once in 1955. Schedule 1 species.
240		Wryneck	<i>Jynx torquilla</i>	Very scarce passage migrant; most in autumn; last bred in 1944. Schedule 1 species.
241		Lesser Spotted Woodpecker	<i>Dryobates minor</i>	Very scarce and declining resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
242		Great Spotted Woodpecker	<i>Dendrocopos major</i>	Very common and increasing resident.
243		Green Woodpecker	<i>Picus viridis</i>	Common resident.
244		Kestrel	<i>Falco tinnunculus</i>	Fairly common or common resident and passage migrant. <b>Amber listed species of medium conservation concern.</b>
245		Red-footed Falcon	<i>Falco vespertinus</i>	Rare vagrant. <b>Annex 1 species.</b>

246		Merlin	<i>Falco columbarius</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <a href="#">Annex 1 species.</a>
247		Hobby	<i>Falco subbuteo</i>	Scarce breeding summer visitor and passage migrant. Schedule 1 species.
248		Gyr Falcon	<i>Falco rusticolus</i>	Very rare vagrant. Schedule 1 species. <a href="#">Annex 1 species.</a>
249		Peregrine	<i>Falco peregrinus</i>	Scarce breeding resident. Schedule 1 species. <a href="#">Annex 1 species.</a>
250		Ring-necked Parakeet	<i>Psittacula krameri</i>	Very scarce introduced resident; has bred.
251		Red-backed Shrike	<i>Lanius collurio</i>	Very scarce passage migrant; formerly a breeding summer visitor. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <a href="#">Annex 1 species.</a>
252		Lesser Grey Shrike	<i>Lanius minor</i>	Very rare vagrant. <a href="#">Annex 1 species.</a>
253		Great Grey Shrike	<i>Lanius excubitor</i>	Very scarce winter visitor and passage migrant.
254		Woodchat Shrike	<i>Lanius senator</i>	Rare vagrant.
255		Golden Oriole	<i>Oriolus oriolus</i>	Rare passage migrant and summer visitor; may have bred in 1965. Schedule 1 species.
256		Jay	<i>Garrulus glandarius</i>	Very common resident.
257		Magpie	<i>Pica pica</i>	Very common resident.
258		Nutcracker	<i>Nucifraga caryocatactes</i>	Very rare vagrant.
259		Chough	<i>Pyrrhocorax pyrrhocorax</i>	Formerly a breeding resident. Schedule 1 species. <a href="#">Annex 1 species.</a>
260		Jackdaw	<i>Coloeus monedula</i>	Very common resident.
261		Rook	<i>Corvus frugilegus</i>	Very common resident. <b>Amber listed species of medium conservation concern.</b>
262		Carrion Crow	<i>Corvus corone</i>	Very common resident.
263		Hooded Crow	<i>Corvus cornix</i>	Rare winter visitor and passage migrant.
264		Raven	<i>Corvus corax</i>	Fairly common breeding resident; first bred in modern era in 2001.
265		Waxwing	<i>Bombycilla garrulus</i>	Irruptive winter visitor; very scarce or scarce; occasionally fairly common.
266		Coal Tit	<i>Parus ater</i>	Very common resident.
267		Marsh Tit	<i>Poecile palustris</i>	Fairly common resident. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
268		Willow Tit	<i>Poecile montanus</i>	Status uncertain. May still be very scarce resident. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
269		Blue Tit	<i>Cyanistes caeruleus</i>	Abundant resident.
270		Great Tit	<i>Parus major</i>	Abundant resident.
271		Penduline Tit	<i>Remiz pendulinus</i>	Rare vagrant.
272		Bearded Tit	<i>Panurus biarmicus</i>	Scarce breeding resident; very scarce passage migrant and winter visitor. Schedule 1 species.
273		Woodlark	<i>Lullula arborea</i>	Scarce resident and very scarce passage migrant. Schedule 1 species. <a href="#">Section 41 species.</a> <a href="#">Annex 1 species.</a>
274		Skylark	<i>Alauda arvensis</i>	Very common but declining resident; probably common passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
275		Crested Lark	<i>Galerida cristata</i>	Very rare vagrant.
276		Shore Lark	<i>Eremophila alpestris</i>	Rare autumn migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
277		Short-toed Lark	<i>Calandrella brachydactyla</i>	Rare vagrant. <a href="#">Annex 1 species.</a>
278		Sand Martin	<i>Riparia riparia</i>	Scarce or fairly common summer visitor and very common passage migrant.
279		Barn Swallow	<i>Hirundo rustica</i>	Common summer visitor and abundant passage migrant.
280		Crag Martin	<i>Ptyonoprogne rupestris</i>	Very rare vagrant.

281	House Martin	<i>Delichon urbicum</i>	Common but declining summer visitor and abundant passage migrant. <b>Red listed species of high conservation concern.</b>
282	Red-rumped Swallow	<i>Cecropis daurica</i>	Rare but increasing vagrant.
283	Cliff Swallow	<i>Petrochelidon pyrrhonota</i>	Very rare vagrant.
284	Cetti's Warbler	<i>Cettia cetti</i>	Fairly common and increasing resident; passage migrant and winter visitor. Schedule 1 species.
285	Long-tailed Tit	<i>Aegithalos caudatus</i>	Very common resident.
286	Wood Warbler	<i>Phylloscopus sibilatrix</i>	Very scarce passage migrant. Rare in summer with no confirmed breeding records since 2010. <b>Red listed species of high conservation concern. Section 41 species.</b>
287	Western Bonelli's Warbler	<i>Phylloscopus bonelli</i>	Very rare vagrant.
288	Hume's Warbler	<i>Phylloscopus humei</i>	Very rare vagrant.
289	Yellow-browed Warbler	<i>Phylloscopus inornatus</i>	Very scarce visitor; mostly in late autumn. <b>Amber listed species of medium conservation concern.</b>
290	Pallas's Leaf Warbler	<i>Phylloscopus proregulus</i>	Rare visitor; mostly in late autumn.
291	Radde's Warbler	<i>Phylloscopus schwarzi</i>	Very rare vagrant.
292	Dusky Warbler	<i>Phylloscopus fuscatus</i>	Very rare vagrant.
293	Willow Warbler	<i>Phylloscopus trochilus</i>	Common but declining summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
294	Chiffchaff	<i>Phylloscopus collybita</i>	Very common summer visitor and passage migrant; small numbers winter.
295	Greenish Warbler	<i>Phylloscopus trochiloides</i>	Very rare vagrant.
296	Great Reed Warbler	<i>Acrocephalus arundinaceus</i>	Rare vagrant.
297	Aquatic Warbler	<i>Acrocephalus paludicola</i>	Rare autumn passage migrant. <b>Red listed species of high conservation concern. Section 41 species. Annex 1 species.</b>
298	Sedge Warbler	<i>Acrocephalus schoenobaenus</i>	Fairly common summer visitor and very common passage migrant. <b>Amber listed species of medium conservation concern.</b>
299	Paddyfield Warbler	<i>Acrocephalus agricola</i>	Very rare vagrant
300	Blyth's Reed Warbler	<i>Acrocephalus dumetorum</i>	Very rare vagrant.
301	Reed Warbler	<i>Acrocephalus scirpaceus</i>	Common summer visitor and very common passage migrant.
302	Marsh Warbler	<i>Acrocephalus palustris</i>	Rare summer visitor and very scarce passage migrant. <b>Red listed species of high conservation concern. Schedule 1 species. Section 41 species.</b>
303	Booted Warbler	<i>Iduna caligata</i>	Very rare vagrant.
304	Sykes's Warbler	<i>Iduna rama</i>	Very rare vagrant.
305	Melodious Warbler	<i>Hippolais polyglotta</i>	Very scarce visitor in spring and autumn.
306	Icterine Warbler	<i>Hippolais icterina</i>	Rare vagrant.
307	River Warbler	<i>Locustella fluviatilis</i>	Very rare vagrant.
308	Savi's Warbler	<i>Locustella luscinioides</i>	Rare visitor; has bred. <b>Red listed species of high conservation concern. Schedule 1 species. Section 41 species.</b>
309	Grasshopper Warbler	<i>Locustella naevia</i>	Very scarce and declining summer visitor and fairly common passage migrant. <b>Red listed species of high conservation concern. Section 41 species.</b>
310	Blackcap	<i>Sylvia atricapilla</i>	Very common summer visitor and passage migrant; scarce winter visitor.
311	Garden Warbler	<i>Sylvia borin</i>	Common summer visitor and passage migrant.
312	Barred Warbler	<i>Curruca nisoria</i>	Very scarce autumn visitor. <b>Annex 1 species.</b>
313	Lesser Whitethroat	<i>Curruca curruca</i>	Fairly common summer visitor and passage migrant.
314	Sardinian Warbler	<i>Curruca melanocephala</i>	Very rare vagrant.
315	Common Whitethroat	<i>Curruca communis</i>	Very common summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>

316		Dartford Warbler	<i>Curruca undata</i>	Scarce to fairly common but localised resident. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
317		Firecrest	<i>Regulus ignicapilla</i>	Fairly common breeding resident and summer visitor; passage migrant; and winter visitor. Schedule 1 species.
318		Goldcrest	<i>Regulus regulus</i>	Very common breeding resident; common passage migrant and winter visitor.
319		Wren	<i>Troglodytes troglodytes</i>	Abundant resident. <b>Amber listed species of medium conservation concern.</b>
320		Nuthatch	<i>Sitta europaea</i>	Common resident.
321		Wallcreeper	<i>Tichodroma muraria</i>	Very rare vagrant.
322		Eurasian Treecreeper	<i>Certhia familiaris</i>	Common resident.
323		Short-toed Treecreeper	<i>Certhia brachydactyla</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
324		Rose-coloured Starling	<i>Pastor roseus</i>	Rare vagrant.
325		Common Starling	<i>Sturnus vulgaris</i>	Common but declining resident and very common to abundant winter visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
326		White's Thrush	<i>Zoothera aurea</i>	Very rare vagrant.
327		Ring Ouzel	<i>Turdus torquatus</i>	Passage migrant; very scarce in spring; scarce to fairly common in autumn. <b>Red listed species of high conservation concern.</b> Section 41 species.
328		Blackbird	<i>Turdus merula</i>	Abundant breeding resident; very common or abundant winter visitor; status uncertain as passage migrant.
329		Fieldfare	<i>Turdus pilaris</i>	Common; occasionally very common; passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
330		Redwing	<i>Turdus iliacus</i>	Common; occasionally very common; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
331		Song Thrush	<i>Turdus philomelos</i>	Very common resident and partial migrant; common passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Section 41 species.
332		Mistle Thrush	<i>Turdus viscivorus</i>	Common resident and partial migrant. <b>Red listed species of high conservation concern.</b>
333		Rufous-tailed Scrub Robin	<i>Cercotrichas galactotes</i>	Very rare vagrant.
334		Spotted Flycatcher	<i>Muscicapa striata</i>	Fairly common but declining summer visitor; scarce passage migrant in spring and fairly common in autumn. <b>Red listed species of high conservation concern.</b> Section 41 species.
335		Robin	<i>Erithacus rubecula</i>	Abundant resident; probably common passage migrant; mainly in autumn; status uncertain as winter visitor.
336		Bluethroat	<i>Luscinia svecica</i>	Very scarce spring and autumn visitor. Schedule 1 species. <b>Annex 1 species.</b>
337		Thrush Nightingale	<i>Luscinia luscinia</i>	Very rare vagrant.
338		Common Nightingale	<i>Luscinia megarhynchos</i>	Fairly common summer visitor and infrequently seen passage migrant. <b>Red listed species of high conservation concern.</b>
339		Red-flanked Bluetail	<i>Tarsiger cyanurus</i>	Very rare vagrant.
340		Red-breasted Flycatcher	<i>Ficedula parva</i>	Rare vagrant. <b>Annex 1 species.</b>
341		Pied Flycatcher	<i>Ficedula hypoleuca</i>	Scarce passage migrant; more numerous in autumn than spring. Has bred. <b>Amber listed species of medium conservation concern.</b>
342		Collared Flycatcher	<i>Ficedula albicollis</i>	Very rare vagrant. <b>Annex 1 species.</b>
343		Black Redstart	<i>Phoenicurus ochruros</i>	Rare resident; scarce passage migrant and very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.

344	Common Redstart	<i>Phoenicurus phoenicurus</i>	Scarce or fairly common summer visitor and fairly common passage migrant. <b>Amber listed species of medium conservation concern.</b>
345	Rock Thrush	<i>Monticola saxatilis</i>	Very rare vagrant.
346	Blue Rock Thrush	<i>Monticola solitarius</i>	Very rare vagrant.
347	Whinchat	<i>Saxicola rubetra</i>	Fairly common passage migrant. Rare summer visitor; last bred in 1999. Very rare in winter. <b>Red listed species of high conservation concern.</b>
348	Eurasian Stonechat	<i>Saxicola rubicola</i>	Fairly common resident and partial migrant.
349	Northern Wheatear	<i>Oenanthe oenanthe</i>	Very scarce breeding summer visitor and common passage migrant; very rare in mid-winter. <b>Amber listed species of medium conservation concern.</b>
350	Isabelline Wheatear	<i>Oenanthe isabellina</i>	Very rare vagrant.
351	Desert Wheatear	<i>Oenanthe deserti</i>	Very rare vagrant.
352	Western Black-eared Wheatear	<i>Oenanthe hispanica</i>	Very rare vagrant.
353	Pied Wheatear	<i>Oenanthe pleschanka</i>	Very rare vagrant.
354	Dipper	<i>Cinclus cinclus</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern.</b>
355	House Sparrow	<i>Passer domesticus</i>	Very common but possibly declining resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
356	Tree Sparrow	<i>Passer montanus</i>	Much declined and now very scarce resident; scarce passage migrant and winter visitor. <b>Red listed species of high conservation concern. Section 41 species.</b>
357	Alpine Accentor	<i>Prunella collaris</i>	Very rare vagrant.
358	Dunnock	<i>Prunella modularis</i>	Very common resident. <b>Amber listed species of medium conservation concern. Section 41 species.</b>
359	Yellow Wagtail	<i>Motacilla flava flavissima</i>	Scarce and localised summer visitor; scarce passage migrant in spring and fairly common in autumn. <b>Red listed species of high conservation concern. Section 41 species.</b>
360	Citrine Wagtail	<i>Motacilla citreola</i>	Very rare vagrant.
361	Grey Wagtail	<i>Motacilla cinerea</i>	Fairly common resident; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
362	Pied Wagtail	<i>Motacilla alba yarrellii</i>	Common resident; passage migrant and winter visitor.
363	Richard's Pipit	<i>Anthus richardi</i>	Rare vagrant.
364	Tawny Pipit	<i>Anthus campestris</i>	Rare visitor; mostly in autumn. <b>Annex 1 species.</b>
365	Meadow Pipit	<i>Anthus pratensis</i>	Common but declining resident; very common passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
366	Tree Pipit	<i>Anthus trivialis</i>	Fairly common but local summer visitor; fairly common passage migrant. <b>Red listed species of high conservation concern. Section 41 species.</b>
367	Olive-backed Pipit	<i>Anthus hodgsoni</i>	Very rare vagrant.
368	Red-throated Pipit	<i>Anthus cervinus</i>	Very rare vagrant.
369	Buff-bellied Pipit	<i>Anthus rubescens</i>	Very rare vagrant
370	Water Pipit	<i>Anthus spinoletta</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
371	Rock Pipit	<i>Anthus petrosus</i>	Scarce resident and scarce winter visitor; very rare away from the coast.
372	Chaffinch	<i>Fringilla coelebs</i>	Abundant resident; and probably very common passage migrant and winter visitor..
373	Brambling	<i>Fringilla montifringilla</i>	Fairly common winter visitor and passage migrant. Schedule 1 species.
374	Hawfinch	<i>Coccothraustes coccothraustes</i>	Scarce or possibly very scarce breeding resident and in most years very scarce passage migrant and winter visitor; occasionally more numerous. <b>Red listed species of high conservation concern. Section 41 species.</b>

375	Bullfinch	<i>Pyrrhula pyrrhula</i>	Fairly common or common resident. <b>Amber listed species of medium conservation concern.</b> <a href="#">Section 41 species.</a>
376	Trumpeter Finch	<i>Bucanetes githagineus</i>	Very rare vagrant. <a href="#">Annex 1 species.</a>
377	Common Rosefinch	<i>Carpodacus erythrinus</i>	Rare vagrant. Schedule 1 species.
378	Greenfinch	<i>Chloris chloris</i>	Very common resident; and possibly fairly common passage migrant and scarce winter visitor. <b>Red listed species of high conservation concern.</b>
379	Twite	<i>Linaria flavirostris</i>	Rare winter visitor. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
380	Linnet	<i>Linaria cannabina</i>	Common but decreasing resident and partial migrant. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
381	Common Redpoll	<i>Acanthis flammea</i>	Very scarce visitor. <b>Amber listed species of medium conservation concern.</b>
382	Lesser Redpoll	<i>Acanthis cabaret</i>	Scarce breeder and common passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
383	Parrot Crossbill	<i>Loxia pytyopsittacus</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
384	Common Crossbill	<i>Loxia curvirostra</i>	Irruptive species; usually scarce visitor but fairly common in some years. Very scarce breeder in some years. Schedule 1 species.
385	Goldfinch	<i>Carduelis carduelis</i>	Probably fairly common resident; common summer visitor and passage migrant and fairly common winter visitor.
386	Serin	<i>Serinus serinus</i>	Very scarce passage migrant; has bred. Schedule 1 species.
387	Siskin	<i>Spinus spinus</i>	Common winter visitor and passage migrant. Fairly common breeder.
388	Lapland Bunting	<i>Calcarius lapponicus</i>	Very scarce passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
389	Snow Bunting	<i>Plectrophenax nivalis</i>	Scarce passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
390	Corn Bunting	<i>Emberiza calandra</i>	Fairly common resident. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
391	Yellowhammer	<i>Emberiza citrinella</i>	Common resident. <b>Red listed species of high conservation concern.</b> <a href="#">Section 41 species.</a>
392	Rock Bunting	<i>Emberiza cia</i>	Very rare vagrant.
393	Ortolan Bunting	<i>Emberiza hortulana</i>	Very scarce visitor mainly in the autumn. <a href="#">Annex 1 species.</a>
394	Cirl Bunting	<i>Emberiza cirlus</i>	Formerly a scarce resident; now extinct as a breeding species and not recorded since 1988. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <a href="#">Section 41 species.</a>
395	Little Bunting	<i>Emberiza pusilla</i>	Rare vagrant.
396	Rustic Bunting	<i>Emberiza rustica</i>	Very rare vagrant.
397	Black-headed Bunting	<i>Emberiza melanocephala</i>	Very rare vagrant.
398	Pallas's Reed Bunting	<i>Emberiza pallasi</i>	Very rare vagrant.
399	Reed Bunting	<i>Emberiza schoeniclus</i>	Fairly common resident; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> <a href="#">Section 41 species.</a>
400	Dark-eyed Junco	<i>Junco hyemalis</i>	Very rare vagrant.
401	White-throated Sparrow	<i>Zonotrichia albicollis</i>	Very rare vagrant.
402	Baltimore Oriole	<i>Icterus galbula</i>	Very rare vagrant.
403	Black-and-white Warbler	<i>Mniotilta varia</i>	Very rare vagrant.
404	Blackpoll Warbler	<i>Setophaga striata</i>	Very rare vagrant.
