

# The Sussex List at January 2026.

	Species Name	Taxonomic name	Status in Sussex
1	Ruddy Duck	<i>Oxyura jamaicensis</i>	Rare introduced resident and winter visitor; subject to culling to reduce numbers.
2	Mute Swan	<i>Cygnus olor</i>	Fairly common resident.
3	Bewick's Swan	<i>Cygnus columbianus</i>	Scarce winter visitor and very scarce passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b> <b>Annex 1 species.</b>
4	Whooper Swan	<i>Cygnus cygnus</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
5	Brent Goose	<i>Branta bernicla</i>	Very common winter visitor and passage migrant; very scarce non-breeder in summer. <b>Amber listed species of medium conservation concern.</b> <b>Section 41 species.</b>
6	Red-breasted Goose	<i>Branta ruficollis</i>	Very rare vagrant. <b>Annex 1 species.</b>
7	Canada Goose	<i>Branta canadensis</i>	Common introduced resident and partial migrant.
8	Barnacle Goose	<i>Branta leucopsis</i>	Very scarce winter visitor; often in severe weather; increasingly common naturalised resident. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
9	Greylag Goose	<i>Anser anser</i>	Increasingly common introduced resident and winter visitor; scarce passage migrant. (Native population in UK is <b>Amber listed species of medium conservation concern.</b> )
10	White-fronted Goose	<i>Anser albifrons</i>	Scarce winter visitor and passage migrant. European race (A. a. albifrons) is a <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
11	Tundra Bean Goose	<i>Anser serrirostris</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
12	Pink-footed Goose	<i>Anser brachyrhynchus</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
13	Taiga Bean Goose	<i>Anser fabalis</i>	Rare winter visitor. <b>Amber listed species of medium conservation concern.</b>
14	Mandarin Duck	<i>Aix galericulata</i>	Scarce introduced resident.
15	Egyptian Goose	<i>Alopochen aegyptiaca</i>	Scarce introduced resident; bred for first time in 2000.
16	Common Shelduck	<i>Tadorna tadorna</i>	Fairly common winter visitor and scarce passage migrant; scarce breeding species. <b>Amber listed species of medium conservation concern.</b>
17	Ruddy Shelduck	<i>Tadorna ferruginea</i>	Breeds in SE Europe and across central and east Asia with naturalised populations in central Europe. Rare vagrant from wild or naturalised populations or escape from captivity. <b>Annex 1 species.</b>
18	Long-tailed Duck	<i>Clangula hyemalis</i>	Very scarce to scarce passage migrant and winter visitor; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
19	King Eider	<i>Somateria spectabilis</i>	Rare vagrant
20	Common Eider	<i>Somateria mollissima</i>	Scarce winter visitor and passage migrant; very scarce non-breeder in summer. <b>Amber listed species of medium conservation concern.</b>
21	Common Scoter	<i>Melanitta nigra</i>	Common spring passage migrant and fairly common winter visitor; usually scarce in summer and autumn. Very scarce inland. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
22	Surf Scoter	<i>Melanitta perspicillata</i>	Very rare vagrant.
23	Velvet Scoter	<i>Melanitta fusca</i>	Scarce passage migrant and winter visitor along the coast; rare inland. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
24	Goldeneye	<i>Bucephala clangula</i>	Scarce winter visitor; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
25	Smew	<i>Mergellus albellus</i>	Very scarce winter visitor mainly to the east of the county. <b>Red listed species of high conservation concern.</b> <b>Annex 1 species.</b>
26	Hooded Merganser	<i>Lophodytes cucullatus</i>	Very rare vagrant.
27	Red-breasted Merganser	<i>Mergus serrator</i>	Fairly common winter visitor and passage migrant along the coast; rare non-breeder in summer. Rare inland. <b>Amber listed species of medium conservation concern.</b>
28	Goosander	<i>Mergus merganser</i>	Scarce winter visitor and passage migrant. First bred 2023
29	Red-crested Pochard	<i>Netta rufina</i>	Possibly a rare winter visitor and passage migrant although most records probably relate to escaped or naturalised birds.
30	Ferruginous Duck	<i>Aythya nyroca</i>	Rare vagrant. <b>Annex 1 species.</b>
31	Common Pochard	<i>Aythya ferina</i>	Very scarce breeder; scarce summer non-breeder and fairly common winter visitor. Very scarce on observed passage. <b>Red listed species of high conservation concern.</b>
32	Ring-necked Duck	<i>Aythya collaris</i>	Rare vagrant.
33	Tufted Duck	<i>Aythya fuligula</i>	Fairly common resident although scarce breeder; fairly common winter visitor and scarce on observed passage.
34	Lesser Scaup	<i>Aythya affinis</i>	Very rare vagrant.
35	Greater Scaup	<i>Aythya marila</i>	Very scarce winter visitor and passage migrant; rare non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
36	Garganey	<i>Spatula querquedula</i>	Scarce passage migrant; very scarce summer non-breeder and rare breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
37	Blue-winged Teal	<i>Spatula discors</i>	Very rare vagrant.
38	Shoveler	<i>Spatula clypeata</i>	Very scarce breeder and scarce summer non-breeder; common winter visitor; scarce on observed passage. <b>Amber listed species of medium conservation concern.</b>
39	Gadwall	<i>Mareca strepera</i>	Very scarce breeder and scarce summer non-breeder; fairly common winter visitor; scarce on observed passage. <b>Amber listed species of medium conservation concern.</b>

40	Eurasian Wigeon	<i>Mareca penelope</i>	Very common winter visitor; scarce on observed passage. Very scarce in summer; does not breed. <b>Amber listed species of medium conservation concern.</b>
41	American Wigeon	<i>Mareca americana</i>	Very rare vagrant.
42	Mallard	<i>Anas platyrhynchos</i>	Common resident and winter visitor. <b>Amber listed species of medium conservation concern.</b>
43	Pintail	<i>Anas acuta</i>	Fairly common winter visitor; scarce on observed passage; occasionally summers and has bred. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
44	Eurasian Teal	<i>Anas crecca</i>	Rare breeder and and scarce summering non-breeder; common winter visitor and fairly common on observed passage. <b>Amber listed species of medium conservation concern.</b>
45	Black Grouse	<i>Lyrurus tetrix</i>	Formerly resident but became extinct by mid 19th century. <b>Red listed species of high conservation concern.</b> Section 41 species. Annex 1 species.
46	Grey Partridge	<i>Perdix perdix</i>	Scarce resident; much declined but benefiting locally through conservation effort. <b>Red listed species of high conservation concern.</b> Section 41 species.
47	Golden Pheasant	<i>Chrysolophus pictus</i>	Formerly very scarce introduced resident; probably now extinct in the county.
48	Common Pheasant	<i>Phasianus colchicus</i>	Very common introduced resident. Population augmented annually by captive bred stock.
49	Quail	<i>Coturnix coturnix</i>	Scarce summer visitor; recorded in variable numbers from year to year. Formerly occasional in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
50	Red-legged Partridge	<i>Alectoris rufa</i>	Common introduced resident. Population augmented annually by captive bred stock.
51	Little Grebe	<i>Tachybaptus ruficollis</i>	Scarce resident; passage migrant and fairly common winter visitor.
52	Slavonian Grebe	<i>Podiceps auritus</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Annex 1 species.
53	Red-necked Grebe	<i>Podiceps grisegena</i>	Very scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b>
54	Great Crested Grebe	<i>Podiceps cristatus</i>	Fairly common resident; passage migrant and winter visitor.
55	Black-necked Grebe	<i>Podiceps nigricollis</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
56	Great Bustard	<i>Otis tarda</i>	Native to Iberia and Morocco; with fragmented populations through central and southeast Europe to Turkey and east to central Siberia. Extinct in Great Britain in 1832; since 2013 it has been the subject of a re-introduction programme led by the Great Bustard Group in Wiltshire; under licence from DEFRA. Annex 1 species.
57	Little Bustard	<i>Tetrax tetrax</i>	Formerly rare; now very rare vagrant. Annex 1 species.
58	Great Spotted Cuckoo	<i>Clamator glandarius</i>	Very rare vagrant.
59	Yellow-billed Cuckoo	<i>Coccyzus americanus</i>	Very rare vagrant.
60	Common Cuckoo	<i>Cuculus canorus</i>	Fairly common but declining summer visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
61	Pallas's Sandgrouse	<i>Syrhaptes paradoxus</i>	Formerly a rare vagrant.
62	Turtle Dove	<i>Streptopelia turtur</i>	Scarce and declining summer visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Section 41 species.
63	Collared Dove	<i>Streptopelia decaocto</i>	Very common resident.
64	Woodpigeon	<i>Columba palumbus</i>	Abundant resident and winter visitor. <b>Amber listed species of medium conservation concern.</b>
65	Feral Pigeon	<i>Columba livia</i>	Common resident.
66	Stock Dove	<i>Columba oenas</i>	Common resident and possible winter visitor. <b>Amber listed species of medium conservation concern.</b>
67	Crane	<i>Grus grus</i>	Very scarce passage migrant and winter visitor. Rare in summer. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
68	Water Rail	<i>Rallus aquaticus</i>	Scarce resident; scarce winter visitor and passage migrant.
69	Corncrake	<i>Crex crex</i>	Rare passage migrant; formerly bred. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Section 41 species. Annex 1 species.
70	Sora	<i>Porzana carolina</i>	Very rare vagrant.
71	Spotted Crake	<i>Porzana porzana</i>	Rare passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
72	Moorhen	<i>Gallinula chloropus</i>	Very common resident; possibly fairly common winter visitor but status uncertain. <b>Amber listed species of medium conservation concern.</b>
73	Coot	<i>Fulica atra</i>	Fairly common resident and common winter visitor.
74	Little Crake	<i>Zapornia parva</i>	Rare vagrant. Annex 1 species.
75	Baillon's Crake	<i>Zapornia pusilla</i>	Very rare vagrant. Annex 1 species.
76	Stone-curlew	<i>Burhinus oediconemus</i>	Scarce breeding summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Section 41 species. Annex 1 species.
77	Avocet	<i>Recurvirostra avosetta</i>	Scarce winter visitor and passage migrant; scarce and localised breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
78	Black-winged Stilt	<i>Himantopus himantopus</i>	Very scarce spring migrant. Bred in 2014 and 2021. Schedule 1 species. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
79	Oystercatcher	<i>Haematopus ostralegus</i>	Scarce breeder; fairly common passage migrant and common winter visitor. <b>Amber listed species of medium conservation concern.</b>

80	Grey Plover	<i>Pluvialis squatarola</i>	Common winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
81	Golden Plover	<i>Pluvialis apricaria</i>	Common winter visitor and passage migrant; rare in summer. <b>Annex 1 species.</b>
82	American Golden Plover	<i>Pluvialis dominica</i>	Very rare vagrant.
83	Pacific Golden Plover	<i>Pluvialis fulva</i>	Very rare vagrant
84	Dotterel	<i>Eudromias morinellus</i>	Very scarce spring and autumn passage migrant; one winter record. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
85	Killdeer	<i>Charadrius vociferus</i>	Very rare vagrant.
86	Ringed Plover	<i>Charadrius hiaticula</i>	Scarce breeder; fairly common passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b>
87	Semipalmated Plover	<i>Charadrius semipalmatus</i>	Very rare vagrant.
88	Little Ringed Plover	<i>Thinornis dubius</i>	Scarce breeding summer visitor and passage migrant. Schedule 1 species.
89	Lapwing	<i>Vanellus vanellus</i>	Scarce or fairly common resident and very common winter visitor. <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
90	Sociable Plover	<i>Vanellus gregarius</i>	Very rare vagrant.
91	Tibetan Sand Plover	<i>Anarhynchus atrifrons</i>	Very rare vagrant.
92	Greater Sand Plover	<i>Anarhynchus leschenaultii</i>	Very rare vagrant.
93	Kentish Plover	<i>Anarhynchus alexandrinus</i>	Very scarce spring and autumn passage migrant; formerly bred. Schedule 1 species.
94	Upland Sandpiper	<i>Bartramia longicauda</i>	Very rare vagrant.
95	Hudsonian Whimbrel	<i>Numenius hudsonicus</i>	Very rare vagrant.
96	Eurasian Whimbrel	<i>Numenius phaeopus</i>	Common passage migrant; very scarce non-breeding summering and wintering species. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
97	Curlew	<i>Numenius arquata</i>	Common passage migrant and winter visitor; formerly a very scarce breeder. <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
98	Bar-tailed Godwit	<i>Limosa lapponica</i>	Fairly common winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
99	Black-tailed Godwit	<i>Limosa limosa</i>	Fairly common but localised winter visitor and passage migrant; scarce non-breeder in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
100	Long-billed Dowitcher	<i>Limnodromus scolopaceus</i>	Very rare vagrant.
101	Jack Snipe	<i>Lymnocyrtus minimus</i>	Scarce winter visitor and passage migrant.
102	Woodcock	<i>Scolopax rusticola</i>	Probably fairly common resident and winter visitor. <b>Red listed species of high conservation concern.</b>
103	Great Snipe	<i>Gallinago media</i>	Very rare vagrant. <b>Annex 1 species.</b>
104	Common Snipe	<i>Gallinago gallinago</i>	Very scarce breeder and fairly common winter visitor. <b>Amber listed species of medium conservation concern.</b>
105	Terek Sandpiper	<i>Xenus cinereus</i>	Very rare vagrant. <b>Annex 1 species.</b>
106	Common Sandpiper	<i>Actitis hypoleucos</i>	Fairly common passage migrant; very scarce in winter. Has bred at least once. <b>Amber listed species of medium conservation concern.</b>
107	Spotted Sandpiper	<i>Actitis macularius</i>	Very rare vagrant.
108	Wilson's Phalarope	<i>Phalaropus tricolor</i>	Very rare vagrant.
109	Grey Phalarope	<i>Phalaropus fulicarius</i>	Very scarce autumn and rare winter visitor; usually occurs after gales.
110	Red-necked Phalarope	<i>Phalaropus lobatus</i>	Rare spring and autumn passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
111	Green Sandpiper	<i>Tringa ochropus</i>	Scarce spring and autumn passage migrant; more frequent in autumn; scarce in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
112	Marsh Sandpiper	<i>Tringa stagnatilis</i>	Rare vagrant.
113	Wood Sandpiper	<i>Tringa glareola</i>	Very scarce spring and scarce autumn passage migrant; very rare in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
114	Common Redshank	<i>Tringa totanus</i>	Scarce resident; common winter visitor and autumn passage migrant; fairly common spring migrant. <b>Amber listed species of medium conservation concern.</b>
115	Lesser Yellowlegs	<i>Tringa flavipes</i>	Very rare vagrant.
116	Spotted Redshank	<i>Tringa erythropus</i>	Scarce passage migrant and very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b>
117	Greenshank	<i>Tringa nebularia</i>	Fairly common passage migrant; scarce in winter. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
118	Turnstone	<i>Arenaria interpres</i>	Fairly common winter visitor and passage migrant; scarce non-breeder in summer. Rare away from coast. <b>Amber listed species of medium conservation concern.</b>
119	Knot	<i>Calidris canutus</i>	Fairly common winter visitor and scarce to fairly common passage migrant. Rare away from the coast. <b>Amber listed species of medium conservation concern.</b>

120	Ruff	<i>Calidris pugnax</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
121	Broad-billed Sandpiper	<i>Calidris falcinellus</i>	Very rare vagrant.
122	Curlew Sandpiper	<i>Calidris ferruginea</i>	Passage migrant; scarce in autumn and very scarce in spring; rare in winter. <b>Amber listed species of medium conservation concern.</b>
123	Stilt Sandpiper	<i>Calidris himantopus</i>	Very rare vagrant.
124	Temminck's Stint	<i>Calidris temminckii</i>	Very scarce spring and autumn passage migrant. Schedule 1 species.
125	Long-toed Stint	<i>Calidris subminuta</i>	Very rare vagrant.
126	Buff-breasted Sandpiper	<i>Calidris subruficollis</i>	Rare autumn vagrant.
127	Sanderling	<i>Calidris alba</i>	Fairly common winter visitor and passage migrant. Rare away from coast. <b>Amber listed species of medium conservation concern.</b>
128	Dunlin	<i>Calidris alpina</i>	Very common passage migrant and winter visitor; scarce away from estuaries; scarce non-breeder in summer. <b>Red listed species of high conservation concern.</b>
129	Purple Sandpiper	<i>Calidris maritima</i>	Scarce winter visitor and passage migrant; very rare in summer. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
130	Baird's Sandpiper	<i>Calidris bairdii</i>	Very rare vagrant.
131	Pectoral Sandpiper	<i>Calidris melanotos</i>	Rare vagrant; mainly in autumn.
132	Semipalmated Sandpiper	<i>Calidris pusilla</i>	Very rare vagrant.
133	Little Stint	<i>Calidris minuta</i>	Scarce passage migrant; very scarce in winter.
134	Least Sandpiper	<i>Calidris minutilla</i>	Very rare vagrant.
135	White-rumped Sandpiper	<i>Calidris fuscicollis</i>	Very rare vagrant.
136	Oriental Pratincole	<i>Glareola maldivarum</i>	Very rare vagrant.
137	Black-winged Pratincole	<i>Glareola nordmanni</i>	Very rare vagrant.
138	Collared Pratincole	<i>Glareola pratincola</i>	Very rare vagrant. <b>Annex 1 species.</b>
139	Arctic Skua	<i>Stercorarius parasiticus</i>	Fairly common spring and scarce autumn passage migrant; very scarce in summer and rare in winter. <b>Red listed species of high conservation concern.</b>
140	Long-tailed Skua	<i>Stercorarius longicaudus</i>	Rare vagrant.
141	Pomarine Skua	<i>Stercorarius pomarinus</i>	Passage migrant in variable numbers in spring; usually scarce; very scarce in autumn; rare in winter.
142	Great Skua	<i>Stercorarius skua</i>	Fairly common spring and scarce autumn passage migrant; very scarce but increasing in winter. <b>Red listed species of high conservation concern.</b>
143	Puffin	<i>Fratercula arctica</i>	Very scarce visitor; most frequently recorded in spring. <b>Red listed species of high conservation concern.</b>
144	Black Guillemot	<i>Cephus grylle</i>	Rare vagrant.
145	Razorbill	<i>Alca torda</i>	Common winter visitor and fairly common passage migrant; last bred 1878. <b>Amber listed species of medium conservation concern.</b>
146	Little Auk	<i>Alle alle</i>	Very scarce autumn passage migrant and winter visitor.
147	Common Guillemot	<i>Uria aalge</i>	Fairly common winter visitor and passage migrant; last bred in 1904. <b>Amber listed species of medium conservation concern.</b>
148	Sooty Tern	<i>Onychoprion fuscatus</i>	Very rare vagrant.
149	Bridled Tern	<i>Onychoprion anaethetus</i>	Very rare vagrant.
150	Little Tern	<i>Sternula albifrons</i>	Scarce breeding summer visitor and fairly common passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
151	Least Tern	<i>Sternula antillarum</i>	Very rare vagrant.
152	Caspian Tern	<i>Hydroprogne caspia</i>	Rare vagrant. <b>Annex 1 species.</b>
153	Gull-billed Tern	<i>Gelochelidon nilotica</i>	Rare vagrant. <b>Annex 1 species.</b>
154	Whiskered Tern	<i>Chlidonias hybrida</i>	Very rare vagrant. <b>Annex 1 species.</b>
155	White-winged Black Tern	<i>Chlidonias leucopterus</i>	Rare vagrant.
156	Black Tern	<i>Chlidonias niger</i>	Scarce passage migrant. Schedule 1 species. <b>Annex 1 species.</b>
157	Sandwich Tern	<i>Thalasseus sandvicensis</i>	Fairly common although localised breeding summer visitor and common passage migrant; very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b> <b>Annex 1 species.</b>
158	Elegant Tern	<i>Thalasseus elegans</i>	Very rare vagrant.
159	Royal Tern	<i>Thalasseus maximus</i>	Very rare vagrant
160	Lesser Crested Tern	<i>Thalasseus bengalensis</i>	Very rare vagrant.

161	Arctic Tern	<i>Sterna paradisaea</i>	Uncertain; but probably a fairly common spring and autumn passage migrant. <b>Red listed species of high conservation concern.</b> Annex 1 species.
162	Common Tern	<i>Sterna hirundo</i>	Fairly common breeding summer visitor and common passage migrant. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
163	Roseate Tern	<i>Sterna dougallii</i>	Very scarce passage migrant and non-breeding summer visitor. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Section 41 species. Annex 1 species.
164	Little Gull	<i>Hydrocoloeus minutus</i>	Fairly common passage migrant; most numerous in spring. Very scarce non-breeder in summer and scarce in winter. Schedule 1 species.
165	Kittiwake	<i>Rissa tridactyla</i>	Common but very localised breeding species; fairly common or common winter visitor and passage migrant. Rare away from coast. <b>Red listed species of high conservation concern.</b>
166	Sabine's Gull	<i>Xema sabini</i>	Rare mainly autumn vagrant.
167	Slender-billed Gull	<i>Chroicocephalus genei</i>	Very rare vagrant. Annex 1 species.
168	Bonaparte's Gull	<i>Chroicocephalus philadelphia</i>	Very rare vagrant.
169	Black-headed Gull	<i>Chroicocephalus ridibundus</i>	Common breeding species and very common to abundant passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
170	Laughing Gull	<i>Leucophaeus atricilla</i>	Very rare vagrant.
171	Franklin's Gull	<i>Leucophaeus pipixcan</i>	Very rare vagrant.
172	Mediterranean Gull	<i>Ichthyaeetus melanocephalus</i>	Fairly common winter visitor and passage migrant; scarce breeder. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
173	Ring-billed Gull	<i>Larus delawarensis</i>	Very rare vagrant.
174	Common Gull	<i>Larus canus</i>	Very common; sometimes abundant winter visitor and very common passage migrant; scarce in summer; bred until 1963 and in 2006 and in some years since then. <b>Red listed species of high conservation concern.</b>
175	Caspian Gull	<i>Larus cachinnans</i>	Scarce but regular winter visitor <b>Amber listed species of medium conservation concern.</b>
176	Herring Gull	<i>Larus argentatus argenteus</i>	Very common resident; status uncertain as passage migrant; and winter visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
177	Yellow-legged Gull	<i>Larus michahellis</i>	Scarce but localised visitor; mainly in late summer and autumn. <b>Amber listed species of medium conservation concern.</b>
178	Great Black-backed Gull	<i>Larus marinus</i>	Common winter visitor and passage migrant; scarce in summer; mostly non-breeders; but very scarce breeder since 2000. <b>Red listed species of high conservation concern.</b>
179	Glaucous Gull	<i>Larus hyperboreus</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
180	Lesser Black-backed Gull	<i>Larus fuscus</i>	Fairly common passage migrant and winter visitor; scarce (mainly immatures) in summer and scarce breeder. <b>Amber listed species of medium conservation concern.</b>
181	Iceland Gull	<i>Larus glaucoides</i>	Very scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
182	Red-throated Diver	<i>Gavia stellata</i>	Fairly common winter visitor and passage migrant. Schedule 1 species. Annex 1 species.
183	Great Northern Diver	<i>Gavia immer</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
184	White-billed Diver	<i>Gavia adamsii</i>	Very rare vagrant.
185	Black-throated Diver	<i>Gavia arctica</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.
186	Storm Petrel	<i>Hydrobates pelagicus</i>	Very scarce visitor; mainly in late spring and mid summer and after autumn gales. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
187	Leach's Petrel	<i>Hydrobates leucorhous</i>	Rare vagrant. <b>Red listed species of high conservation concern.</b> Schedule 1 species. Annex 1 species.
188	Fulmar	<i>Fulmarus glacialis</i>	Scarce breeding species and passage migrant. <b>Amber listed species of medium conservation concern.</b>
189	Cory's Shearwater	<i>Calonectris borealis</i>	Rare vagrant. Annex 1 species.
190	Sooty Shearwater	<i>Ardenna grisea</i>	Very scarce autumn visitor.
191	Manx Shearwater	<i>Puffinus puffinus</i>	Fairly common spring to autumn passage migrant. <b>Amber listed species of medium conservation concern.</b> Annex 1 species.
192	Mediterranean Shearwater	<i>Puffinus yelkouan mauretanicus</i>	Very scarce spring to autumn visitor. Considered critically endangered by IUCN. <b>Red listed species of high conservation concern.</b> Section 41 species.
193	Black Stork	<i>Ciconia nigra</i>	Rare vagrant. Annex 1 species.
194	White Stork	<i>Ciconia ciconia</i>	Rare vagrant; mainly in spring. Most records from 2017 onwards are likely to relate to deliberate releases or their fledged young. Annex 1 species.
195	Gannet	<i>Morus bassanus</i>	Common passage migrant and non-breeding summer visitor; fairly common to common in winter. <b>Amber listed species of medium conservation concern.</b>
196	Red-footed Booby	<i>Sula sula</i>	Very rare vagrant.
197	Brown Booby	<i>Sula leucogaster</i>	Very rare vagrant.
198	Shag	<i>Gulosus aristotelis</i>	Scarce winter visitor and passage migrant; rare away from coast. <b>Amber listed species of medium conservation concern.</b>
199	Cormorant	<i>Phalacrocorax carbo</i>	Fairly common but localised resident and common winter visitor.
200	Glossy Ibis	<i>Plegadis falcinellus</i>	Very scarce but increasing visitor. Annex 1 species.
201	Spoonbill	<i>Platalea leucorodia</i>	Very scarce visitor; most frequent in spring and autumn. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. Annex 1 species.

202	Eurasian Bittern	<i>Botaurus stellaris</i>	Scarce winter visitor; rare outside the winter months. <a href="#">Amber listed species of medium conservation concern</a> . Schedule 1 species. <a href="#">Section 41 species</a> . <a href="#">Annex 1 species</a> .
203	American Bittern	<i>Botaurus lentiginosus</i>	Very rare vagrant.
204	Little Bittern	<i>Botaurus minutus</i>	Rare vagrant. Schedule 1 species. <a href="#">Amber listed species of medium conservation concern</a> . <a href="#">Annex 1 species</a> .
205	Little Egret	<i>Egretta garzetta</i>	Scarce and increasing resident and probably scarce autumn visitor; status as winter visitor uncertain. <a href="#">Annex 1 species</a> .
206	Night-heron	<i>Nycticorax nycticorax</i>	Rare vagrant. <a href="#">Annex 1 species</a> .
207	Squacco Heron	<i>Ardeola ralloides</i>	Rare vagrant. <a href="#">Annex 1 species</a> .
208	Great White Egret	<i>Ardea alba</i>	Scarce but increasing visitor. <a href="#">Amber listed species of medium conservation concern</a> . <a href="#">Annex 1 species</a> .
209	Cattle Egret	<i>Ardea ibis</i>	Scarce resident; increasing visitor and bred for the first time in 2020. <a href="#">Amber listed species of medium conservation concern</a> .
210	Purple Heron	<i>Ardea purpurea</i>	Rare vagrant. Schedule 1 species. <a href="#">Annex 1 species</a> .
211	Grey Heron	<i>Ardea cinerea</i>	Fairly common resident.
212	Common Nighthawk	<i>Chordeiles minor</i>	Very rare vagrant.
213	Nightjar	<i>Caprimulgus europaeus</i>	Fairly common but localised summer visitor rarely seen on migration. <a href="#">Amber listed species of medium conservation concern</a> . <a href="#">Section 41 species</a> . <a href="#">Annex 1 species</a> .
214	Alpine Swift	<i>Tachymarptis melba</i>	Rare vagrant.
215	Little Swift	<i>Apus affinis</i>	Very rare vagrant
216	Common Swift	<i>Apus apus</i>	Common summer visitor and passage migrant. <a href="#">Red listed species of high conservation concern</a> .
217	Pallid Swift	<i>Apus pallidus</i>	Very rare vagrant.
218	Barn Owl	<i>Tyto alba</i>	Fairly common resident. Schedule 1 species.
219	Little Owl	<i>Athene noctua</i>	Scarce and declining resident.
220	Short-eared Owl	<i>Asio flammeus</i>	Scarce winter visitor and passage migrant; last bred 1922. <a href="#">Amber listed species of medium conservation concern</a> . <a href="#">Annex 1 species</a> .
221	Long-eared Owl	<i>Asio otus</i>	Scarce resident and very scarce passage migrant and winter visitor.
222	Snowy Owl	<i>Bubo scandiacus</i>	Very rare vagrant. Schedule 1 species. <a href="#">Annex 1 species</a> .
223	Tawny Owl	<i>Strix aluco</i>	Common resident. <a href="#">Amber listed species of medium conservation concern</a> .
224	Osprey	<i>Pandion haliaetus</i>	Scarce passage migrant. <a href="#">Amber listed species of medium conservation concern</a> . Schedule 1 species. <a href="#">Annex 1 species</a> .
225	Honey-buzzard	<i>Pernis apivorus</i>	Very scarce breeding summer visitor and passage migrant. <a href="#">Amber listed species of medium conservation concern</a> . Schedule 1 species. <a href="#">Annex 1 species</a> .
226	Short-toed Eagle	<i>Circus gallicus</i>	Very rare vagrant. <a href="#">Annex 1 species</a> .
227	Sparrowhawk	<i>Accipiter nisus</i>	Common resident and passage migrant. <a href="#">Amber listed species of medium conservation concern</a> .
228	Goshawk	<i>Astur gentilis</i>	Scarce but increasing resident. Schedule 1 species.
229	Pallid Harrier	<i>Circus macrourus</i>	Very rare vagrant. <a href="#">Annex 1 species</a> .
230	Hen Harrier	<i>Circus cyaneus</i>	Scarce winter visitor and passage migrant. <a href="#">Red listed species of high conservation concern</a> . Schedule 1 species. <a href="#">Section 41 species</a> . <a href="#">Annex 1 species</a> .
231	Montagu's Harrier	<i>Circus pygargus</i>	Very scarce spring and autumn visitor; last bred successfully in 1962. <a href="#">Red listed species of high conservation concern</a> . Schedule 1 species. <a href="#">Annex 1 species</a> .
232	Marsh Harrier	<i>Circus aeruginosus</i>	Scarce passage migrant and winter visitor; very scarce breeder since 2004. <a href="#">Amber listed species of medium conservation concern</a> . Schedule 1 species. <a href="#">Annex 1 species</a> .
233	Red Kite	<i>Milvus milvus</i>	Scarce or fairly common breeding resident (first bred in 2004) and fairly common and increasing visitor. Schedule 1 species. <a href="#">Annex 1 species</a> .
234	Black Kite	<i>Milvus migrans</i>	Rare vagrant. <a href="#">Annex 1 species</a> .
235	White-tailed Eagle	<i>Haliaeetus albicilla</i>	Rare vagrant. Reintroduction project on the Isle of Wight. Introduced birds have bred. <a href="#">Amber listed species of medium conservation concern</a> . Schedule 1 species. <a href="#">Annex 1 species</a> .
236	Rough-legged Buzzard	<i>Buteo lagopus</i>	Rare winter visitor.
237	Common Buzzard	<i>Buteo buteo</i>	Fairly common and increasing resident; probably scarce passage migrant.
238	Hoopoe	<i>Upupa epops</i>	Very scarce spring and even scarcer autumn passage migrant; has bred. Schedule 1 species.
239	Roller	<i>Coracias garrulus</i>	Rare vagrant. <a href="#">Annex 1 species</a> .
240	Bee-eater	<i>Merops apiaster</i>	Very scarce visitor; mainly in spring; bred once in 1955. Schedule 1 species.
241	Kingfisher	<i>Alcedo atthis</i>	Fairly common resident and possibly very scarce winter visitor. Schedule 1 species. <a href="#">Annex 1 species</a> .
242	Wryneck	<i>Jynx torquilla</i>	Very scarce passage migrant; most in autumn; last bred in 1944. Schedule 1 species.
243	Green Woodpecker	<i>Picus viridis</i>	Common resident.
244	Great Spotted Woodpecker	<i>Dendrocopos major</i>	Very common and increasing resident.

245	Lesser Spotted Woodpecker	<i>Dryobates minor</i>	Scarce and declining resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
246	Kestrel	<i>Falco tinnunculus</i>	Fairly common or common resident and passage migrant. <b>Amber listed species of medium conservation concern.</b>
247	Red-footed Falcon	<i>Falco vespertinus</i>	Rare vagrant. <b>Annex 1 species.</b>
248	Merlin	<i>Falco columbarius</i>	Scarce winter visitor and passage migrant. <b>Red listed species of high conservation concern. Schedule 1 species. Annex 1 species.</b>
249	Hobby	<i>Falco subbuteo</i>	Scarce breeding summer visitor and passage migrant. Schedule 1 species.
250	Peregrine	<i>Falco peregrinus</i>	Scarce breeding resident. Schedule 1 species. <b>Annex 1 species.</b>
251	Gyr Falcon	<i>Falco rusticolus</i>	Very rare vagrant. Schedule 1 species. <b>Annex 1 species.</b>
252	Ring-necked Parakeet	<i>Psittacula krameri</i>	Scarce but increasing introduced resident; has bred.
253	Golden Oriole	<i>Oriolus oriolus</i>	Rare passage migrant and summer visitor; may have bred in 1965. Schedule 1 species.
254	Great Grey Shrike	<i>Lanius excubitor</i>	Very scarce winter visitor and passage migrant.
255	Lesser Grey Shrike	<i>Lanius minor</i>	Very rare vagrant. <b>Annex 1 species.</b>
256	Woodchat Shrike	<i>Lanius senator</i>	Rare vagrant.
257	Red-backed Shrike	<i>Lanius collurio</i>	Very scarce passage migrant; formerly a breeding summer visitor. <b>Red listed species of high conservation concern. Schedule 1 species. Annex 1 species.</b>
258	Turkestan Shrike	<i>Lanius phoenicuroides</i>	Very rare vagrant
259	Chough	<i>Pyrrhocorax pyrrhocorax</i>	Formerly a breeding resident. Schedule 1 species. <b>Annex 1 species.</b>
260	Jay	<i>Garrulus glandarius</i>	Very common resident.
261	Magpie	<i>Pica pica</i>	Very common resident.
262	Nutcracker	<i>Nucifraga caryocatactes</i>	Very rare vagrant.
263	Jackdaw	<i>Coloeus monedula</i>	Very common resident.
264	Rook	<i>Corvus frugilegus</i>	Very common resident. <b>Amber listed species of medium conservation concern.</b>
265	Raven	<i>Corvus corax</i>	Fairly common breeding resident; first bred in modern era in 2001.
266	Carrion Crow	<i>Corvus corone</i>	Very common resident.
267	Penduline Tit	<i>Remiz pendulinus</i>	Rare vagrant.
268	Blue Tit	<i>Cyanistes caeruleus</i>	Abundant resident.
269	Great Tit	<i>Parus major</i>	Abundant resident.
270	Coal Tit	<i>Parus ater</i>	Very common resident.
271	Marsh Tit	<i>Poecile palustris</i>	Very common resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
272	Willow Tit	<i>Poecile montanus</i>	Previous fairly common to common resident; now extinct with the last record in 2015.. <b>Red listed species of high conservation concern. Section 41 species.</b>
273	Bearded Tit	<i>Panurus biarmicus</i>	Scarce breeding resident; very scarce passage migrant and winter visitor. Schedule 1 species.
274	Woodlark	<i>Lullula arborea</i>	Scarce resident and very scarce passage migrant. Schedule 1 species. <b>Section 41 species. Annex 1 species.</b>
275	Skylark	<i>Alauda arvensis</i>	Very common but declining resident; probably common passage migrant and winter visitor. <b>Red listed species of high conservation concern. Section 41 species.</b>
276	Crested Lark	<i>Galerida cristata</i>	Very rare vagrant.
277	Shore Lark	<i>Eremophila alpestris</i>	Rare autumn migrant and winter visitor. <b>Amber listed species of medium conservation concern. Schedule 1 species.</b>
278	Short-toed Lark	<i>Calandrella brachydactyla</i>	Rare vagrant. <b>Annex 1 species.</b>
279	Icterine Warbler	<i>Hippolais icterina</i>	Rare vagrant.
280	Melodious Warbler	<i>Hippolais polyglotta</i>	Very scarce visitor in spring and autumn.
281	Booted Warbler	<i>Iduna caligata</i>	Very rare vagrant.
282	Sykes's Warbler	<i>Iduna rama</i>	Very rare vagrant.
283	Sedge Warbler	<i>Acrocephalus schoenobaenus</i>	Fairly common summer visitor and very common passage migrant. <b>Amber listed species of medium conservation concern.</b>
284	Aquatic Warbler	<i>Acrocephalus paludicola</i>	Increasingly rare autumn passage migrant. <b>Red listed species of high conservation concern. Section 41 species. Annex 1 species.</b>
285	Paddyfield Warbler	<i>Acrocephalus agricola</i>	Very rare vagrant
286	Blyth's Reed Warbler	<i>Acrocephalus dumetorum</i>	Very rare vagrant.
287	Marsh Warbler	<i>Acrocephalus palustris</i>	Rare summer visitor and very scarce passage migrant. <b>Red listed species of high conservation concern. Schedule 1 species. Section 41 species.</b>
288	Reed Warbler	<i>Acrocephalus scirpaceus</i>	Common summer visitor and very common passage migrant.
289	Great Reed Warbler	<i>Acrocephalus arundinaceus</i>	Rare vagrant.
290	River Warbler	<i>Locustella fluviatilis</i>	Very rare vagrant.

291	Savi's Warbler	<i>Locustella luscinioides</i>	Rare visitor; has bred. <b>Red listed species of high conservation concern.</b> Schedule 1 species. <b>Section 41 species.</b>
292	Grasshopper Warbler	<i>Locustella naevia</i>	Very scarce and declining summer visitor and fairly common passage migrant. <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
293	Sand Martin	<i>Riparia riparia</i>	Scarce or fairly common summer visitor and very common passage migrant.
294	Crag Martin	<i>Ptyonoprogne rupestris</i>	Very rare vagrant.
295	Barn Swallow	<i>Hirundo rustica</i>	Common summer visitor and abundant passage migrant.
296	House Martin	<i>Delichon urbicum</i>	Common but declining summer visitor and abundant passage migrant. <b>Red listed species of high conservation concern.</b>
297	Red-rumped Swallow	<i>Cecropis daurica</i>	Rare but increasing vagrant.
298	Cliff Swallow	<i>Petrochelidon pyrrhonota</i>	Very rare vagrant.
299	Long-tailed Tit	<i>Aegithalos caudatus</i>	Very common resident.
300	Cetti's Warbler	<i>Cettia cetti</i>	Fairly common and increasing resident; passage migrant and winter visitor. Schedule 1 species.
301	Wood Warbler	<i>Phylloscopus sibilatrix</i>	Very scarce passage migrant. Rare in summer with no confirmed breeding records since 2010. <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
302	Western Bonelli's Warbler	<i>Phylloscopus bonelli</i>	Very rare vagrant.
303	Yellow-browed Warbler	<i>Phylloscopus inornatus</i>	Very scarce visitor; mostly in late autumn. <b>Amber listed species of medium conservation concern.</b>
304	Hume's Warbler	<i>Phylloscopus humei</i>	Very rare vagrant.
305	Pallas's Leaf Warbler	<i>Phylloscopus proregulus</i>	Rare visitor; mostly in late autumn.
306	Radde's Warbler	<i>Phylloscopus schwarzi</i>	Very rare vagrant.
307	Dusky Warbler	<i>Phylloscopus fuscatus</i>	Very rare vagrant.
308	Willow Warbler	<i>Phylloscopus trochilus</i>	Common but declining summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
309	Iberian Chiffchaff	<i>Phylloscopus ibericus</i>	Very rare vagrant
310	Common Chiffchaff	<i>Phylloscopus collybita</i>	Very common summer visitor and passage migrant; small numbers winter.
311	Greenish Warbler	<i>Phylloscopus trochiloides</i>	Very rare vagrant.
312	Garden Warbler	<i>Sylvia borin</i>	Common summer visitor and passage migrant.
313	Blackcap	<i>Sylvia atricapilla</i>	Very common summer visitor and passage migrant; scarce winter visitor.
314	Barred Warbler	<i>Curruca nisoria</i>	Very scarce autumn visitor. <b>Annex 1 species.</b>
315	Lesser Whitethroat	<i>Curruca curruca</i>	Fairly common summer visitor and passage migrant.
316	Common Whitethroat	<i>Curruca communis</i>	Very common summer visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
317	Dartford Warbler	<i>Curruca undata</i>	Scarce to fairly common but localised resident. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species. <b>Annex 1 species.</b>
318	Sardinian Warbler	<i>Curruca melanocephala</i>	Very rare vagrant.
319	Waxwing	<i>Bombicilla garrulus</i>	Irruptive winter visitor; very scarce or scarce; occasionally fairly common.
320	Firecrest	<i>Regulus ignicapilla</i>	Fairly common breeding resident and summer visitor; passage migrant and winter visitor. Schedule 1 species.
321	Goldcrest	<i>Regulus regulus</i>	Very common breeding resident; common passage migrant and winter visitor.
322	Wallcreeper	<i>Tichodroma muraria</i>	Very rare vagrant.
323	Nuthatch	<i>Sitta europaea</i>	Common resident.
324	Eurasian Treecreeper	<i>Certhia familiaris</i>	Common resident.
325	Short-toed Treecreeper	<i>Certhia brachydactyla</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
326	Wren	<i>Troglodytes troglodytes</i>	Abundant resident. <b>Amber listed species of medium conservation concern.</b>
327	Northern Mockingbird	<i>Mimus polyglottos</i>	Very rare vagrant.
328	Common Starling	<i>Sturnus vulgaris</i>	Common but declining resident and very common to abundant winter visitor. <b>Red listed species of high conservation concern.</b> <b>Section 41 species.</b>
329	Rose-coloured Starling	<i>Pastor roseus</i>	Rare vagrant.
330	Dipper	<i>Cinclus cinclus</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern.</b>
331	White's Thrush	<i>Zoothera aurea</i>	Very rare vagrant.
332	Mistle Thrush	<i>Turdus viscivorus</i>	Common resident and partial migrant. <b>Red listed species of high conservation concern.</b>
333	Song Thrush	<i>Turdus philomelos</i>	Very common resident and partial migrant; common passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> <b>Section 41 species.</b>

334	Redwing	<i>Turdus iliacus</i>	Common; occasionally very common; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
335	Blackbird	<i>Turdus merula</i>	Abundant breeding resident; very common or abundant winter visitor; status uncertain as passage migrant.
336	Fieldfare	<i>Turdus pilaris</i>	Common; occasionally very common; passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b> Schedule 1 species.
337	Ring Ouzel	<i>Turdus torquatus</i>	Passage migrant; very scarce in spring; scarce to fairly common in autumn. <b>Red listed species of high conservation concern.</b> Section 41 species.
338	American Robin	<i>Turdus migratorius</i>	Very rare vagrant.
339	Rufous-tailed Scrub Robin	<i>Cercotrichas galactotes</i>	Very rare vagrant.
340	Spotted Flycatcher	<i>Muscicapa striata</i>	Fairly common but declining summer visitor; scarce passage migrant in spring and fairly common in autumn. <b>Red listed species of high conservation concern.</b> Section 41 species.
341	Robin	<i>Erithacus rubecula</i>	Abundant resident; probably common passage migrant; mainly in autumn; status uncertain as winter visitor.
342	Thrush Nightingale	<i>Luscinia luscinia</i>	Very rare vagrant.
343	Common Nightingale	<i>Luscinia megarhynchos</i>	Fairly common summer visitor and infrequently seen passage migrant. <b>Red listed species of high conservation concern.</b>
344	Bluethroat	<i>Luscinia svecica</i>	Very scarce spring and autumn visitor. Schedule 1 species. <b>Annex 1 species.</b>
345	Red-breasted Flycatcher	<i>Ficedula parva</i>	Rare vagrant. <b>Annex 1 species.</b>
346	Collared Flycatcher	<i>Ficedula albicollis</i>	Very rare vagrant. <b>Annex 1 species.</b>
347	Pied Flycatcher	<i>Ficedula hypoleuca</i>	Scarce passage migrant; more numerous in autumn than spring. Has bred. <b>Amber listed species of medium conservation concern.</b>
348	Red-flanked Bluetail	<i>Tarsiger cyanurus</i>	Very rare vagrant.
349	Black Redstart	<i>Phoenicurus ochruros</i>	Rare resident; scarce passage migrant and very scarce winter visitor. <b>Amber listed species of medium conservation concern.</b> Schedule 1 species.
350	Common Redstart	<i>Phoenicurus phoenicurus</i>	Scarce or fairly common summer visitor and fairly common passage migrant. <b>Amber listed species of medium conservation concern.</b>
351	Rock Thrush	<i>Monticola saxatilis</i>	Very rare vagrant.
352	Blue Rock Thrush	<i>Monticola solitarius</i>	Very rare vagrant.
353	Whinchat	<i>Saxicola rubetra</i>	Fairly common passage migrant. Rare summer visitor; last bred in 1999. Very rare in winter. <b>Red listed species of high conservation concern.</b>
354	Eurasian Stonechat	<i>Saxicola rubicola</i>	Fairly common resident and partial migrant.
355	Desert Wheatear	<i>Oenanthe deserti</i>	Very rare vagrant.
356	Western Black-eared Wheatear	<i>Oenanthe hispanica</i>	Very rare vagrant.
357	Pied Wheatear	<i>Oenanthe pleschanka</i>	Very rare vagrant.
358	Northern Wheatear	<i>Oenanthe oenanthe</i>	Very scarce breeding summer visitor and common passage migrant; very rare in mid-winter. <b>Amber listed species of medium conservation concern.</b>
359	Isabelline Wheatear	<i>Oenanthe isabellina</i>	Very rare vagrant.
360	Alpine Accentor	<i>Prunella collaris</i>	Very rare vagrant.
361	Dunnock	<i>Prunella modularis</i>	Very common resident. <b>Amber listed species of medium conservation concern.</b> Section 41 species.
362	Tree Sparrow	<i>Passer montanus</i>	Much declined and now very scarce resident; scarce passage migrant and winter visitor. <b>Red listed species of high conservation concern.</b> Section 41 species.
363	House Sparrow	<i>Passer domesticus</i>	Very common resident. <b>Red listed species of high conservation concern.</b> Section 41 species.
364	Grey Wagtail	<i>Motacilla cinerea</i>	Fairly common resident; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
365	Yellow Wagtail	<i>Motacilla flava flavissima</i>	Scarce and localised summer visitor; scarce passage migrant in spring and fairly common in autumn. <b>Red listed species of high conservation concern.</b> Section 41 species.
366	Citrine Wagtail	<i>Motacilla citreola</i>	Very rare vagrant.
367	Pied Wagtail	<i>Motacilla alba yarrellii</i>	Common resident; passage migrant and winter visitor.
368	Tawny Pipit	<i>Anthus campestris</i>	Rare visitor; mostly in autumn. <b>Annex 1 species.</b>
369	Richard's Pipit	<i>Anthus richardi</i>	Rare vagrant.
370	Tree Pipit	<i>Anthus trivialis</i>	Fairly common but local summer visitor; fairly common passage migrant. <b>Red listed species of high conservation concern.</b> Section 41 species.
371	Olive-backed Pipit	<i>Anthus hodgsoni</i>	Very rare vagrant.
372	Red-throated Pipit	<i>Anthus cervinus</i>	Very rare vagrant.
373	Buff-bellied Pipit	<i>Anthus rubescens</i>	Very rare vagrant
374	Meadow Pipit	<i>Anthus pratensis</i>	Common but declining resident; very common passage migrant and winter visitor. <b>Amber listed species of medium conservation concern.</b>
375	Rock Pipit	<i>Anthus petrosus</i>	Scarce resident and scarce winter visitor; very rare away from the coast.

376	Water Pipit	<i>Anthus spinoletta</i>	Scarce winter visitor and passage migrant. <b>Amber listed species of medium conservation concern.</b>
377	Brambling	<i>Fringilla montifringilla</i>	Fairly common winter visitor and passage migrant. Schedule 1 species.
378	Chaffinch	<i>Fringilla coelebs</i>	Much declined but still very common resident; and probably very common passage migrant and winter visitor.
379	Hawfinch	<i>Coccothraustes coccothraustes</i>	Fairly common but highly elusive and much declined breeding resident and in most years scarce passage migrant and winter visitor; occasionally more numerous. <b>Red listed species of high conservation concern. Section 41 species.</b>
380	Common Rosefinch	<i>Carpodacus erythrinus</i>	Rare vagrant. Schedule 1 species.
381	Bullfinch	<i>Pyrrhula pyrrhula</i>	Fairly common or common resident. <b>Amber listed species of medium conservation concern. Section 41 species.</b>
382	Trumpeter Finch	<i>Bucanetes githagineus</i>	Very rare vagrant. <b>Annex 1 species.</b>
383	Greenfinch	<i>Chloris chloris</i>	Very common resident; and possibly fairly common passage migrant and scarce winter visitor. <b>Red listed species of high conservation concern.</b>
384	Twite	<i>Linaria flavirostris</i>	Rare winter visitor. <b>Red listed species of high conservation concern. Section 41 species.</b>
385	Linnet	<i>Linaria cannabina</i>	Common but decreasing resident and partial migrant. <b>Red listed species of high conservation concern. Section 41 species.</b>
386	Redpoll	<i>Acanthis flammea</i>	Scarce breeder and common passage migrant and winter visitor. <b>Red listed species of high conservation concern. Section 41 species.</b>
387	Parrot Crossbill	<i>Loxia pytyopsittacus</i>	Very rare vagrant. <b>Amber listed species of medium conservation concern. Schedule 1 species.</b>
388	Common Crossbill	<i>Loxia curvirostra</i>	Irruptive species; usually scarce visitor but fairly common in some years. Very scarce breeder in some years. Schedule 1 species.
389	Goldfinch	<i>Carduelis carduelis</i>	Probably fairly common resident; common summer visitor and passage migrant and fairly common winter visitor.
390	Serin	<i>Serinus serinus</i>	Very scarce passage migrant; bred in 1969 and possibly in 2023. Schedule 1 species.
391	Siskin	<i>Spinus spinus</i>	Common winter visitor and passage migrant. Fairly common breeder.
392	Snow Bunting	<i>Plectrophenax nivalis</i>	Scarce passage migrant and winter visitor. <b>Amber listed species of medium conservation concern. Schedule 1 species.</b>
393	Lapland Bunting	<i>Calcarius lapponicus</i>	Very scarce passage migrant and winter visitor. <b>Amber listed species of medium conservation concern. Schedule 1 species.</b>
394	Pallas's Reed Bunting	<i>Emberiza pallasi</i>	Very rare vagrant.
395	Reed Bunting	<i>Emberiza schoeniclus</i>	Fairly common resident; passage migrant and winter visitor. <b>Amber listed species of medium conservation concern. Section 41 species.</b>
396	Little Bunting	<i>Emberiza pusilla</i>	Rare vagrant.
397	Rustic Bunting	<i>Emberiza rustica</i>	Very rare vagrant.
398	Black-headed Bunting	<i>Emberiza melanocephala</i>	Very rare vagrant.
399	Corn Bunting	<i>Emberiza calandra</i>	Fairly common resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
400	Rock Bunting	<i>Emberiza cia</i>	Very rare vagrant.
401	Ortolan Bunting	<i>Emberiza hortulana</i>	Very scarce visitor mainly in the autumn. <b>Annex 1 species.</b>
402	Cirl Bunting	<i>Emberiza cirlus</i>	Formerly a scarce resident; now extinct as a breeding species. <b>Red listed species of high conservation concern. Schedule 1 species. Section 41 species.</b>
403	Yellowhammer	<i>Emberiza citrinella</i>	Common resident. <b>Red listed species of high conservation concern. Section 41 species.</b>
404	Dark-eyed Junco	<i>Junco hyemalis</i>	Very rare vagrant.
405	White-throated Sparrow	<i>Zonotrichia albicollis</i>	Very rare vagrant.
406	White-crowned Sparrow	<i>Zonotrichia leucophrys</i>	Very rare vagrant
407	Baltimore Oriole	<i>Icterus galbula</i>	Very rare vagrant.
408	Black-and-white Warbler	<i>Mniotilta varia</i>	Very rare vagrant.
409	Blackpoll Warbler	<i>Setophaga striata</i>	Very rare vagrant.
